

A private space to call your own

Privacy meets productivity with the Focus Room, a thoughtfully-designed personal office that allows you to concentrate on the task at hand. With over 70% of employees plagued by noise and distraction in the modern office, silence never sounded so good.

Complete with a large desk, ample storage and overhead skylight, with seamless assembly on-site, the Focus Room makes it easy to step in, get settled, and get focused on your next big idea.
