

## A private space to call your own

Privacy meets productivity with the Focus Room, a thoughtfully-designed personal office that allows you to concentrate on the task at hand. With over 70% of employees plagued by noise and distraction in the modern office, silence never sounded so good.

Complete with a large desk, ample storage and overhead skylight, with seamless assembly on-site, the Focus Room makes it easy to step in, get settled, and get focused on your next big idea.

**01 Desk**

A spacious desk gives you plenty of room to bring your ideas to life. Chair not included.

**02 Sustainably Soundproof**

Made from recycled PET and engineered to reduce noise by 27dB.

**03 Skylights**

More natural light means more room to free your mind and think big.

**04 Ventilation**

Silent fans in the roof and air inlets behind the sofas keep the air inside fresh at all times.

**05 Accessory Rail**

Custom rail makes room for accessories like hooks and shelves, for a clutter-free work session.

**06 Built-in Power**

A built-in power unit ensures outlets and USB ports are at your fingertips, keeping you charged and connected.

**07 Credenza**

Make the room your own with a credenza designed to show off your unique taste, and not your clutter.

**08 Task Light**

An adjustable task light with embedded wireless charging puts the spotlight on productivity.

**09 Sensor**

Occupancy sensor helps you stay energy efficient all day long.

**10 Plug**

Located in the back, a standard 120-240V plug with a 3m long power cord gives you freedom to make room where you need it most, no hardwiring required.
