

Make meetings more meaningful

The Meeting Room fosters a more connected experience that inspires a better way to work, together. Thoughtfully designed to create more meaningful one-on-ones and small team collaborative work, without the hassle of traditional construction.

From sustainable soundproof walls to the added option of a built-in monitor and 180-degree camera for video-conferencing, the Meeting Room is the missing link to a more productive work environment.

Built-in Hardware

Available in the Pro model, the Jabra PanaCast 180-degree camera shows everyone in the room, not just the person in front of the screen, for seamless collaboration.

The PanaCast works with all leading video and audio conferencing solutions, including Microsoft Teams & Zoom, so your team can connect confidently, regardless of their choice of equipment.

Booking System Compatible

Seamlessly integrate any booking system currently used by your team to view and manage meeting room usage.

Booking system bracket available as an add-on in Standard & Pro models (\$100/unit). Free assembly if purchased with the unit at time of order. Tablet not included.
