**01 Spotlights**

Overhead spotlights help your brightest ideas come to light.

02 Ambient Lighting

Built-in lighting creates the perfect atmosphere for focus, collaboration, and more.

03 User Control Panel

Control panel features lighting presets for relaxation, presentation, or meeting.

04 Two Seater Sofa

A set of two benches provide comfortable seating for everyone.

05 Power Box

Built-in power box holds cables in place and ensures your devices stay charged.

06 Sensor

Occupancy sensor helps you stay energy efficient all day long.

07 Desk

A workstation large enough to fit four laptops means plenty of room to be creative.

08 Monitor & Camera Frame

Wooden frame houses built-in monitor and camera for seamless video conferencing.

09 Accessory Rail

Custom rail makes room for accessories like hooks and shelves, for a clutter-free work session.

10 Skylights

More natural light means more room to free your mind and think big.

11 Central Roof Panel

An electrified wooden panel houses the lighting.

12 Plug

Located in the back of the room, a standard 120V plug with 5ft cord reach gives you the freedom to make room where you need it most, no hardwiring required.

Available in the Pro model, the Jabra PanaCast 180-degree camera shows everyone in the room, not just the person in front of the screen, for seamless collaboration.

The PanaCast works with all leading video and audio conferencing solutions, including Microsoft Teams & Zoom, so your team can connect confidently, regardless of their choice of equipment.
