

Work From Home

Make room for productivity,
no matter your workplace set-up.

Ideal for the new normal of hybrid work environments, our Work From Home Desk makes work, work for your team. Wherever the workplace may be. Uniquely created for the home office, the Work From Home Desk brings thoughtful office design and productivity to remote set-ups.

Inspire a better way to work remote with our Work From Home Desk. With the option of Standard or Pro, our Desk helps your organization set up proper, personal workstations that ensure a happier, healthier, and more productive workforce.

The Work From Home Desk is thoughtfully designed with the same quality materials that you've come to expect from ROOM.

We've paid attention to every detail, looking to nature-inspired hues for surfaces, and integrating unique design elements like slanted legs and curved corners. Constructed with real wood, metal, and a scratch-resistant linoleum top, our Desk blends the personality of your team's personal space with quality design required for an efficient workspace.
