

Phone Booth

A personal space
for everyone.

Constant noise and insufficient meeting space lead to lost productivity, creativity, and job satisfaction, as well as higher stress levels.

By creating space for solo phone calls, virtual meetings and focused work, our Phone Booth ensures you never have to fight over conference rooms or take calls in the hallway again. The result: a happier, healthier, and more productive workforce.

01 Custom built-in desk

The 31.5" grooved, oak-veneered desk holds any smartphone or tablet upright, giving you ample space for all your essentials.

02 Sustainably soundproof

Made from recycled PET and engineered to reduce noise by 28dB.

03 Magnetic board

Designed to house your favorite accessories, the magnetic board ensures you stay organized.

04 Power outlets

Two outlets keep you powered up for every charged work session.

05 Motion sensor

Smart sensor activates the light and fans, helping you stay energy efficient.

06 LED light

Overhead LED light strip ensures bright ideas don't stay in the dark.

07 Industrial grade carpet

100% nylon for higher resistance to wear and tear.

08 Ceiling fans

Two ultra-quiet fans keep you cool under pressure.

09 Airflow inlet

Discreet inlet, removable for easy cleaning, optimizes airflow.

10 Leveling feet

Adjustable feet compensate for uneven surfaces, so everyone stays level-headed.

11 Magnetic door

Acrylic panel with magnetic seal, housed in a metal frame, minimizes noise and keeps office banter out.

12 Plug

Located in the back, a standard 120V plug with a 10ft long power cord gives you freedom to make room where you need it most, no hardwiring required.
