Phone Booth

A personal space for everyone.

Constant noise and insufficient meeting space lead to lost productivity, creativity, and job satisfaction, as well as higher stress levels.

By creating space for solo phone calls, virtual meetings and focused work, our Phone Booth ensures you never have to fight over conference rooms or take calls in the hallway again. The result: a happier, healthier, and more productive workforce.

Standard

01 **Custom built-in desk**
The 31.5" grooved, oak-veneered desk holds any smartphone or tablet upright, giving you ample space for all your essentials.

02 **Sustainably soundproof**
Made from recycled PET and engineered to reduce noise by 28dB.

03 **Magnetic board**
Designed to house your favorite accessories, the magnetic board ensures you stay organized.

04 **Power outlets**
Two outlets keep you powered up for every charged work session.

05 **Motion sensor**
Smart sensor activates the light and fans, helping you stay energy efficient.

06 **LED light**
Overhead LED light strip ensures bright ideas don't stay in the dark.

07 **Industrial grade carpet**
100% nylon for higher resistance to wear and tear.

08 **Ceiling fans**
Two ultra-quiet fans keep you cool under pressure.

09 **Airflow inlet**
Discreet inlet, removable for easy cleaning, optimizes airflow.

10 **Leveling feet**
Adjustable feet compensate for uneven surfaces, so everyone stays level-headed.

11 **Magnetic door**
Acrylic panel with magnetic seal, housed in a metal frame, minimizes noise and keeps office banter out.

12 **Plug**
Located in the back, a standard 120V plug with a 10ft long power cord gives you freedom to make room where you need it most, no hardwiring required.
